- E. SESSION SUMMARY:

A victory is predicted for Governor Clinton to be the next president of the United States. The results of the election will cover most of the news for the next few weeks.

The country of Belieze will have a "coupe" and will be a problem area. The name "estelle" phonetically surfaced here. England will help the country of Belieze.

There will be riots in Nepal.

Sweden and Norway are two countries that are coming to the forefront. These countries will act as neutral zone between the Middle East and the West.

England is trying to help their economy slump/recession. England will seek help from the United Nations in a skirmish in an African state.

Israel will start air strikes against Lebanon soon.

Insurgencies (worldwide) will come to a halt due to methods and trends to neutralize terrorism.

There will be an event with a crowd of people outside that will come into the news. Cannot be determined if this is a disaster or not. The event will take place in the United States and is a circus-like activity.

West Virginia surfaced as a scenario for some type of crime to take place. The word "mums" phonetically surfaced. The crime may take place in southern West Virginia but the person will get caught towards the southern border area.
